Packaging Guide
RX SCREW

Product labels are always placed at the center of the box

PRODUCT LABEL

All RX SCREW come with large, easy to read product labels. Each product has its own unique label showing the product category, packaged quantity, size, part no., color and description.
To re-order, quote the Part No., Product Description, and Color Code as indicated below. This information can be easily obtained from existing packaging.

All RX SCREW product labels must be placed at the designated area on the carton as stated below.
